

FINANCING SOLUTIONS

PAYMENT OPTIONS MADE SIMPLE

Alleviate Cash Flow Constraints

Acquire the IT solutions you need without depleting your budget.

Fast Approvals

Secure funding of up to \$500,000 without financial statements.

Flexible Terms

Choose financing plans that align perfectly with your project needs.

Simplified Process

From start to finish, you'll have a dedicated project manager as your single point of contact.

Blue Street Capital is a trusted leader in technology financing, streamlining the approval process to eliminate complexity.

Blue Street Capital's three-pronged approach makes financing simple:

WE LISTEN

We want to be your partner – your success is our success. Our commitment extends beyond transactions; it's about **fostering a strong relationship.**

WE STRUCTURE

We provide clarity in complex transactions. Often within just 24-48 hours, we can open the doors to the capital you need. **Speed is our specialty.**

WE DELIVER

We have the ability to provide **single-payment solutions** for projects that involve multiple vendors, so you can focus on results, not logistics.
